Child(ren)'s name(s): _____

The safety and security of your child(ren) are very important to Li'l Peeps. For that reason we are asking that you provide us with a list of those people who are authorized *by you* to transport your child(ren). Also, if you are not going to be the *primary* transport person for your child(ren), please indicate who that will be. We will allow your child(ren) to go with those people you have listed, but we may ask for identification from those we are not familiar with, so please inform them. We ask that you inform us, whenever possible, if someone other than yourself or the primary person will be picking up your child(ren). If there comes a time when someone *not listed* will be picking up your child, you will need to call the school in advance of dismissal time and inform us of who that will be. That person will then be expected to provide identification before we release your child(ren).
