

Emergency Plan

The purpose of this plan is to ensure the safety of your children and our staff at all times. Depending on the circumstance of the emergency we will use one of the following:

Evacuation- Total evacuation of the facility may become necessary if there is a danger in the building (i.e. fire or gas leak). If this is the case, the children will be taken on foot to a Gazebo directly across the parking lot, which is located on a parishioners' property, and parents will be notified immediately.

Lockdown- If there is a danger outside the building, parents would be notified of the situation and given specific instructions to follow.

Modified Operation- This may include cancellation/postponement or rescheduling of normal activities. These actions would be rare but would include building problems that would make it unsafe for children (such as utility disruptions) but may be necessary in a variety of situations. A phone chain will be set up to accommodate this type of situation.

Winter Storm- The Pennridge School District emergency closing number is 757. We will be closed if the Pennridge schools are closed as well as in the case of a two hour delay. If Pennridge schools have a one hour delay we will also have a one hour delay and will start at 10AM.
